A nice hidden Gem along the quiet, secluded & sparsely populated South Western Coast of Russell Island.

A 536m² corner block in the Southern end of the island. There are some Council blocks across the road, so they won't be built out. Surrounded by friendly neighbours in a very quiet area. 300m walk to Rocky Point for a picnic, launch your kayak or swim. A 5 minute drive will take you to the stunning Sandy Beach with views over the Stradbroke.

Call Nadine on 0422889937 for a viewing and ferry pick up.
