'We Saved The Best Until Last'

Ron Berkley, Tyler Berkley & the Team at Ray White Inverell are proud to present this outstanding acreage allotment with town and countryside views to the market as your exclusive agents.

It's no secret that acreage allotments are hard to come by with North Easterly aspects in the Inverell area. So here's your chance to secure a 1.00 Hectare acreage homesite that ticks all of the boxes. This block is set in a private cul-de-sac in a popular part of Inverell. The current owners purchased this allotment which was considered one of the best in the subdivision but have unfortunately had a change in circumstances. Town, water and electricity is available. With an elevated North Easterly aspect overlooking the Inverell township and countryside, an inspection is a must to truly appreciate the features of this unique block. Surrounded by established homes and ready to build on now. Council rates are \$2.020 per annum. Contact Ron Berkley on 0417 612 660 or Tyler Berkley on 0455 681 002 to book your inspection.
