Located on 615m2, Cleared, Level & Ready to Build on Land..

This gorgeous well maintained block is situated smack bang in the middle of the Picturesque & Quieter section of Russell Island. But not that far from the heart of Town that it will only take a 4 minute drive to Shops, Cafes, Fuel, Schools, Nurseries, the Passenger Ferry & Barge Terminals. Or perhaps a 2 minute drive to the scenic Turtle Swamp Wetlands where you can put the boat in to enjoy a quiet day fishing, sailing or picnic out of the water.
