Here at 214 Carlton River Road we have an amazing opportunity to not only secure an elevated and cleared building block, but also the comfort of a 2011 21ft Crusader Caravan. With views offering a direct line of a sight to Mount Wellington/Kunanyi and to the waters of Fredrick Henry Bay, this block would be an ideal location for your new build (stca). But until then you can take comfort in the one bedroom, 21 ft caravan with en-suite. The block has been cleared, a concrete pad installed at the entry, had some landscaping completed and two large water tanks are in place. The land is 637 metre square and the zoning is low dense residential.
