Looking To Build Near The Lake

Nestled in the peaceful township of Conjola Park, 22 Kurrajong Crescent presents an exciting opportunity for those seeking a new beginning. The residential block, spanning 754sqm, offers plenty of space for your dreams to take shape.

Whether you're a first-time buyer or an investor, the appeal of the neighbourhood lies in its friendly atmosphere and sense of community. Tucked away in a quiet street, surrounded by bushland and within an easy stroll of the lakes edge, boat ramp and park, this block is tailor made for crafting your own coastal haven.

For lovers of the coastal lifestyle, the location is ideal. Just a short drive away, the pristine beaches of Lake Conjola beckon, promising endless days of relaxation and recreation.

Imagine your dream home taking shape on this blank canvas, offering not just a home but the embodiment of the laid-back coastal lifestyle we all cherish.

Don't miss your chance to secure your slice of paradise in Conjola Park.

Whether you're looking to build your forever home or a holiday retreat, this block of land offers the perfect foundation for your aspirations.
