Embrace Nature's Canvas on 22.4 Acres

An extraordinary opportunity awaits on this expansive 22.4 acre parcel. Nature takes centre stage as a mix of cleared pasture and natural bush creates a diverse landscape that beckons to those seeking a harmonious blend of tranquillity and potential.

Explore the vast possibilities that unfold on this generously sized property, you have the canvas to sculpt your dream escape, whether it's a peaceful retreat, an animal haven, or a nature lover's paradise (STCA)

Situated in a private pocket of Gembrook, this property offers a perfect blend of seclusion and accessibility. Embrace the beauty of the natural surroundings while being just a stone's throw away from the vibrant township and Melbourne's conveniences.

Offering stunning private views and a unique charm with its expansive acreage and diverse landscapes, the potential to shape this canvas into your personal masterpiece is boundless.

* we kindly request that you refrain from entering the property without the estate agent; please schedule viewings through our team.
