Type: Land

VACANT LAND WITH WATER VIEWS!

This vacant land is a must buy! It is located at the northern end of the island and only 2.9km from the town centre, amenities, school, and ferry terminal. The block is a generously sized 503m² on a sealed road with power and water running past. The block is flat and almost fully cleared. If you are ready to build your dream home or looking to invest, this is a great opportunity on the ever-growing Russell Island. With an elevated build you will have beautiful water views down the street overlooking the Main Channel towards Redland Bay. The Russell Island Bowls Club is just an 800m stroll around the corner and the local sports ground is only 450m away.

You can't beat the location and convenience. It is only a 20 minute ferry ride to the mainland (Redland Bay) with Brisbane city 40 minutes north and the beautiful Gold Coast 40 minutes south.
