Great Block - Under \$45,000!

Where else can you find land so close to Brisbane for under \$45,000?

Tahlin Drive is in the south-west part of Russell Island, close to the boat ramp and Lions Park. This section of the street is surrounded by natural bush and accessed by a dirt road. The block itself is 559 sqm with a 17.1m frontage and 32.7m sides. There are trees and some scrub, but it would look vastly different with a tidy-up.

Russell Island has all the infrastructure and facilities you need to live comfortably.
