Superbly Manicured Block with Perfect North-East Views

Vacant land with a perfect North-east orientation, plus endless views to mountain ranges beyond and the farmland below it, are really rare these days. This is quite possibly an understatement!

At the end of an extremely quiet and private cul-de-sac, this 4585m² plot of land with private hedge, town water and power is a dream maker. You're in great company with an abundance of higher tier homes and ease of access to coastal or inland pursuits.

Roder Place is quickly becoming known as one of, if not the darling address of this northern ridge. Sunny, protected from southerly winds, green and gorgeous with it's own microclimate, it's an incredible place to live whether you're a family or retired couple.
