Great Location, Terrific Outlook!!

Well positioned on Banksia Avenue overlooking Lake Jindabyne this vacant residential block has all town services (electricity, phone & water) to the boundary. The block has an abundance of native flora and will require some clearing prior to building. The block has a northerly aspect affording pleasant lake and rural views. Surrounding lots are well presented and contain homes of a high standard. Kalkite is a picturesque hamlet located on the Northern most tip of Lake Jindabyne a world away from the madding rush and just a 15 minute drive from both Jindabyne and Berridale.
