## **Vacant, Titled Block of 790sqm - Build a Home to Last a Lifetime**

In a peaceful pocket bounded by the beauty of Bendigo National Park, discover this rare opportunity to create an idyllic family home to last a lifetime.

Tucked away in a low-traffic street that is still easily accessible and just moments to an array of amenities, this vacant block of 790sqm (approx) offers the scope for the home of your dreams while still leaving plenty of space to create an alfresco setting - perhaps even a pool - perfect for your lifestyle. Titled and ready to go, all it needs now is to draft up the design, engage your builder and get to work (all STCA).

This is a simply sensational family location. Big Hill Primary School is just a hop, skip & a jump away, Lansell Square shopping centre and Bunnings are within a quick drive, while the very heart of Bendigo's bustling CBD is less than 10km away for the easiest daily commute.
