The Views Will Blow You Away

Experience the pinnacle of coastal living with this remarkable 721m² block of land. Located on a sealed road and positioned as a corner block, this parcel offers more than just land; it offers an opportunity to create the coastal dream you've always desired.

This prime piece of real estate boasts sweeping water views that will take your breath away. From your future home, you'll enjoy an unimpeded panorama that stretches across the shimmering waters to the world-famous Stradbroke Island

With 721 square meters of land at your disposal, the possibilities are endless. Whether you're envisioning a grand coastal residence, a charming seaside cottage, or an investment opportunity, this sizeable parcel accommodates your ambitions.

Positioned as a corner block, you'll benefit from the added privacy and flexibility this unique layout offers. You can design your entrance and landscaping to maximize the land's full potential.

Convenient Access: Easy access to the site ensures a seamless experience for you, your guests, and potential builders. This is an excellent opportunity to make your dream a reality without the hassle of remote locations.
