## **ELEVATED OPPORTUNITY FOR YOUR DREAM BUILD**

Elevated to offer a superb sweeping water view and welcome in a cooling ocean breeze from a single or multi-level home, this 501m<sup>2</sup> parcel soaks up all we love about coastal living, being an easy stroll to both surf and calm water beaches.

Tucked away in a quiet pocket, this elevated, flat parcel lends itself to a variety of home styles and is positioned in a recently created small subdivision, so it comes with all new connections, perfect and ready for you to build that dream home. Only a short walk from the beaches and Apollo Bay township - this could be the lifestyle opportunity you have been searching for!

What's more, there is no rush to bring your dream to life and no time limit to build, so you will have ample time to plan and develop or build your forever home.
