PERFECT FOR ALL SORTS OF USES.

This property is zoned public use. The block is approx 2.5ha with a 12mx 10 shed plus a lean to and a storage room. The property is connected to town water and mains power and the main shed has a concrete floor.

This property would make a fantastic horse or livestock block but if you were interested in building a house you'll need to speak to the building and planning department at the Yarriambiack shire Council.
