Blank canvas for your grand design..

A rare opportunity to make your own mark on 1,270m² (approx), within walking distance of Stirling Village. A tightly held enclave in close proximity to some of Stirling's most beautiful estates and their stunning botanic gardens. Within a 20 minute drive of the CBD via the Freeway.

Flat building envelope (rear North facing), established trees and shrubs and convenient dual road frontage (to Dell Road).

No less than 9 established varieties of Camellia, Rhododendron, Magnolia, tall tree ferns, and much much more.

Nestled among quality homes, close to public transport. Stirling East Primary School conveniently located just down the road and easily accessible to private schools and universities in Adelaide or elsewhere in the hills.

Mains power and water.

Site would require septic system.
