Type: Land

Bermagui Homesite - close to Swimming, Shopping, Golfing

Enjoy so much of what the beautiful coastal village of Bermagui can offer from this ideally located, vacant building block of 677 m².

With views to Gulaga mountain in the north, this sunny block is located in a popular area of town, ideally situated within an easy walk of the many facilities and activities that help make a village lifestyle in Bermagui so enjoyable.

Stroll down the road to Bermagui's main shopping and café precinct with the (summer lifeguard-patrolled) Horseshoe Bay beach out front, and nearby harbour and Fisherman's Wharf complex, or enjoy a round of golf or game of tennis at the local country club.

The dual street frontage includes Dickinson Avenue which runs along the perimeter of the popular town beach of Beares Beach, meaning this gorgeous (dog friendly) beach is only a very short walk away.

This vacant building block is amongst the last few vacant blocks in this already well-established part of town.

As such it offers you the special chance to enjoy the delight of creating your own brand-new home in the beautiful setting.
