## **Land Ahoy**

Recently subdivided, this slightly undulating north/south facing block of land is now available to build your new dream home. Measuring 513.3m<sup>2</sup> and located in a quiet, leafy street only a few minutes' walk to the railway station.

Under one hour to Sydney CBD by train and road, and only minutes' drive to shops, schools, the beach, Bald Hill, Sea Cliff bridge, cafes and coastal walks. As rare as hen's teeth, don't delay as this will no doubt be snapped up quickly.
