Mere meters to Blue bay beach, this 948m² block of land can be subdivided into two lots subject to council approval allowing you to build two properties taking in the ocean views available. Alternatively, you can keep the generous block as it is and build your forever beachside mansion. Sloping up from the road to the highest point offering lovely ocean views, a pole home would be a great build for this site to maximize those views and minimize the site works. Give me a call to discuss build options and if I cannot answer all your questions, I have a plethora of contacts that will. I look forward to talking with you. #century21mandurah #century21realestate #realestate #realestatemandurah **DISCLAIMER:** This description has been prepared for advertising and marketing purposes only.
