High Elevated Behind Wahine Dve Boat Ramp

Are you dreaming of a serene lifestyle with easy access to boating and jet skiing? Look no further than this beautiful block of land, nestled just a stone's throw away from Wahine Drive. Situated on a high elevation, this 541m² parcel of land offers not only a perfect spot for launching your boat or jet ski but also the opportunity to enjoy breathtaking water views.

Located just a street behind Wahine Drive, this block of land provides convenient access to the water for boating, jet skiing, or even a leisurely stroll with a refreshing beer in hand.

Situated on high ground, this block offers stunning panoramic views of the surrounding landscape and waterways, making it an ideal spot for building your dream home.

With a generous size of 541m², this block of land provides ample space for your future residence. Additionally, the presence of only a couple of trees to clear makes it easier to customize the land to your liking.

The gradual slope from front to back of the block is perfect for installing a septic system, ensuring efficient drainage and waste management.

This prime block of land is located in a highly sought-after area, offering the perfect balance of tranquility and convenience. With easy access to the water and stunning views, it presents an excellent opportunity to create your own waterfront oasis.
