Large Corner Block

If you're looking for a larger corner allotment situated in a peaceful location on the outskirts of Kadina then this allotment is worth a closer look!

This block is 1567m² with water onsite and ready to go and the ability for power to be connected with access nearby. It is zoned Neighbourhood with no building encumbrances nor time limits to build. There is a sealed road out the front, the block is fenced on the side & rear and with a semi rural outlook this would make a wonderful location to call home. There is ample space for a shed and with front and side access, this block is sure to suit many!

Further information is available from the Sales Agent Brooke Neale on 0478 543 877 or call into the Ray White Office to arrange your purchase!
