Water glimpses from this gently sloping block along the East Coast of Russell Island.

Welcome to the quiet, idyllic, secluded & so far sparsely populated & unspoiled far Southeast Coast of Russell Island, where you'll find this very nice sized 577m², 95% cleared block with a gentle slope from front to back. Offering potential water glimpses to the East from the front of your block & depending on the tide, only 150 meters to the water's edge. With the CBD, School, Shops & the Ferry & Barge terminals being only short convenient drive or bike ride away. Please contact to view this property or for more information.
