CREATE YOUR FUTURE HERE ON 1218m2

Situated in a highly sought after location and offering filtered views to Cardinia Reservoir, here is an opportunity for you to design a home that not only sits in harmony with its surrounds but has architectural elements to complement the lay of the land and takes advantage of the view whilst allowing you to enjoy the sights and sounds of the abundance of native birds as well as our iconic Puffing Billy as he chugs along the rear boundary. You could incorporate elements into your design to help you achieve a home that is very energy efficient or off the grid. Within easy reach of the local kindergarten and Primary School, bus stop and a short drive to Emerald or Belgrave, country living can be yours.
