Flat Block in South End Road

This 612m² block is in a quiet part of the island with Rocky Point close by. There are no neighbours across the road and just a few trees to remove on the block. At 17.9m of frontage and 34.2m deep, this flat block is ready to build on. Water is running past the block and the road is currently gravel.

It is just a few minutes' drive to the amenities of town, to access the ferry, and to boat ramps for fishing and crabbing. Only 20 minutes to the mainland by ferry, but a world away.
