\$70,000

Nestled in the heart of a picturesque locale, this exceptional 615m² block of land presents a golden opportunity to build the home of your dreams. Boasting a cleared and elevated position off the road, this parcel of land offers the perfect canvas for creating a residence that combines both luxury and tranquility.

Key Features

Size and Elevation: Spanning an expansive 615m² with approx: 20.4m frontage this block of land provides ample space for your envisioned architectural masterpiece. The elevated position not only adds to the allure of the property but also offers breathtaking panoramic views of the surrounding natural beauty.

Serene Surroundings: Positioned in a beautiful area, the neighborhood exudes a sense of peace and charm. Imagine waking up to the gentle rustling of leaves and the melodious songs of birds in the morning a daily serenade from nature.

This block is part of a great neighborhood that has been witnessing the construction of well-proportioned homes, setting a benchmark for quality and design. The area strikes a perfect balance, not overly built up, providing residents with a harmonious blend of community living and spacious privacy.

Opportunity Knocks: Whether you're a family looking for the ideal place to build your forever home or an investor seeking a prime piece of real estate, this listing is an opportunity that shouldn't be missed. With its combination of size, elevation, and the charm of its surroundings, this block of land provides the perfect foundation for creating a home that's both a sanctuary and a showcase. Don't miss out on the chance to be part of a community that values quality living and embraces the natural beauty that makes this area truly special. Envision the possibilities and seize this chance to turn your dream home into a reality. Contact us today to explore this captivating land opportunity!
