2 Acres of vacant land

Are you looking for a couple of acres away from the hustle and bustle of city life? This land has just been split up with six 8044m² available for purchase at a great price!

Mondure is a tiny one street town, smack bang between the busy town of Kingaroy where you can get all your shopping done, and half an hour from the great Lake Boondooma - where fishing, skiing and boating are must do weekend activities for the family.

The blocks are already cleared, levelled and ready for a home to be built on.

Mondure is a rural little town, so there are no sewerage or town water services available which brings the cost of rates down too.

If you would like to secure your own acreage at an affordable price, give Tracey a call on 0418 784 493
