Plan Sealing with Council underway and land titles to be issued soon. Situated on the high side of the street, on an already elevated location!

Prospect street and it's surrounding area is a well sought after location. Leafy street, family oriented and plenty of regeneration and revitalisation underway. Close to water front, access to the motorway. Walking distance to local cafes. And a quick drive to the shopping hub of Wynnum.

Enjoy that extra size of a 495m block, with a 10mtr frontage.

Good local primary schools and high schools, inc Iona and Moreton Bay college.
