## **A little piece of paradise**

This fantastic weekender is located on 16.21 hectares or 40 acres featuring an array of native forest species including Tasmanian Oak.

A small unapproved timber cabin has a wood heater, 26,000 litre water tank, as well as a number of inclusions for those who would prefer a glamping lifestyle.

The 20 ft storage shipping container is a major bonus for all your on-site storage needs.

This is an amazing place for your children to spend their weekends or for your retirement, located within a 10 minute drive from Sheffield's CBD.
