Prime Rural Land

Highly sought after rural land is hard to acquire in the Mypolonga market, and this new opportunity to the market will be no different. Offering in excess of 20 acres of prime land with an extensive outlook of the local landscape, this is the ideal opportunity for those looking to build their dream home (STCC) or simply land bank for future use. Including rural fencing, an established shed, power, and 3.2 meg of water via the Woodlane Irrigation Scheme, everything is ready to take over immediately and develop at your discretion (STCC).
