## **CORNER BLOCK**

I am sure there are some reasons why living on this 432m<sup>2</sup> block with an established park would not be simply perfect, I just can't think of any. Great East-West orientation. Close to public open spaces and a stroll to the beach, a must on your inspection list.

Don't forget to ask about the generous early building incentives. For more information visit [www.madorabay.com.au](http://www.madorabay.com.au)
