Mount Kirribilli Country Lifestyle

This magnificent block is located in Boddington a town and shire in the Peel region of Western Australia, located 120 kilometres south-east of Perth. The town sits on the road from Pinjarra to Williams on the Hotham River.

Nestled between rolling hills of forests and the banks of the Hotham River, Boddington combines country charm with wide open spaces. Country pubs, riverside barbecues, beautiful landscapes, walking trails, arts and culture and friendly locals all make Boddington the perfect country adventure.

The small town of Boddington is well-known for two things - its annual Rodeo and the Boddington Gold Mine.

Join the Go West Gold Mine Experience at Newmont's Boddington gold mine. Be dwarfed by giant trucks hauling loads from the pit to the processing plant to be turned into gold.
