River Road, Millstream, QLD, 4888

Type: Land

You'll be at home on the Millstream!

Welcome to 133 River Rd Millstream, this beautiful 4.12acre partially cleared block is an ideal address to call home. Featuring two 6 x 6m powered sheds, internally one of the sheds is partially self contained with caravan, separate bedroom and shower as well as living space and laundry. The second shed is set up as a workshop & tractor storage & there is a lawn locker for additional storage. This property provides plenty of options to build your home. Access to the Millstream is provided by track at the back of the block, the Millstream offers an excellent lifestyle opportunity including fishing, swimming and kayaking. The property is powered with underground power from the front of the block to the sheds and water is available via rain storage or domestic use from the Millstream, or installation of a bore. This property is being offered as a walk in walk out basis and includes a 65hp diesel tractor, various implements and building materials. Inspection is via appointment only.

Please contact Exclusive agent Greg Smith today on 0437 332 912 for more information & to arrange your inspection.
