Words don't do this apartment any justice... This is a space that needs to be inspected, to be appreciated... Only then will the phrase "Designed & built by an owner occupier, for an owner occupier" be given definition. 414 Bridge Road leaves no space unturned, with no expenses spared. This is a new construction, featuring a spacious two bedroom and two bathroom apartment, with a private open space as well as a shared rooftop garden showcasing exceptional city views. Featuring... • Brilliant natural and flowing light • Polished concrete floors • Double glazed, commercial grade windows • Circa 75m² rooftop, shared with the landlord downstairs (Tumi Hair) – whose use is sporadic at best • New Ariston kitchen appliances • Granite bench tops in kitchen, bathrooms and laundry • Ample laundry storage • Individual reverse cycle air conditioning in each living space/bedroom • Direct and private entranceway via Lord Street, just meters from the Bridge Road corner. • An abundance of parking located along Lord Street, as well as Palmer Street. This is a one of a kind, free standing apartment, offering a private piece of Richmond, where every feature and every element has been meticulously built and designed with a methodical attention to detail... This isn't your run of the mill, one of a hundred, built to a price point apartment... This is perfection personified!!
