The Tower remains one of the best kept secrets in the CBD offering residents an exceptional city lifestyle in the heart of city. Perched on level 28 the focus of this home is the living space that beautifully combines a spacious living room, open plan kitchen and covered balcony. It benefits from a 98 square metre floor which is both generous and bathed in natural light. The westerly city views take in the QVB, Darling Harbour and beyond to Anzac Bridge. The generous master bedroom benefits from plentiful wardrobe space and an en-suite with double vanity and bath. The second bedroom comes with built-ins and to complete this space there is a family shower room, separate laundry and ample storage. In addition, the apartment has access to one valet parking space and separate storage. The Tower has daytime Concierge and an on-site Building Manager plus full time valet parking, all have been working at The Tower for many years which adds to a genuine community vibe. The residents also enjoy access to the substantial roof top terrace and outdoor pool. According to Google Maps it is 180 metres to the Queen Victoria Building, 220 metres to David Jones, 250 metres to Pitt Street Mall Shopping Centre, and 400 metres to GPO Sydney at Martin Place. Transport links are ubiquitous with it being 140 metres to Town Hall Train Station and Light Rail, 290 metres to St James Station, 700 metres to Wynyard Station, there are major bus interchanges available at Wynyard and QVB all within walking distance not to mention taxis at the front door.
