This 1.73 hectare (over 4 acre) block is located in the Long Pocket area of the Hinchinbrook District approximately 20 minutes drive west of Ingham. The block is largely cleared and has a small aged open shed on it, while the Herbert River is on the rear boundary of the property. The owner advised the block is absolutely flood free on the high side of the river and it is a nature lovers tropical paradise with excellent building sites, fantastic neighbours with sealed road all the way to Ingham. You could be enjoying private, rural living on this block.
