40.47 hectares – 100 acres of undulating granite with steeper ridges, this interesting bush block has approximately 70% cleared area for grazing purposes, a seasonal gully and a dam for stock water. This block is 18km west of Tenterfield with 10km bitumen and 8km gravel access. Fenced into 2 paddocks, there are some nice elevated building sites with mountain views. This block also includes a set of steel stockyards. A handy bush block to run a few pets and enjoy a country lifestyle. Call Steve today to discuss.
