Just 10 minutes from Beaufort in the quite community of Raglan is this wonderful opportunity to purchase a historical cottage on 2000m² of land. The cottage has been in the same family for 53 years with great historical significance. The property housed an early bakery and post office for the original settlers and still has the original well in place. The house has 3 large bedrooms, spacious lounge, long sunroom and a spare room off the kitchen used for storage or maybe an office. The kitchen is in it's original state with plenty of room for a dining table with a wood combustion and gas stoves for year round cooking. Outside you will find a number of sheds for cars, wood and work shop. There is a spare paddock next to the house which would be perfect for an orchard, vegetables and of course plenty of room for chickens. The home has town and tank water so keeping a garden won't be a problem. 10 minutes down the road you will find shops, schools, supermarket, petrol stations, cafes and of course the train. Please call to book your private inspection.
