A stunning stand of beautiful Australian bush is the back drop to this outstanding "get away" just over one hour's drive from the edge of the Perth Metro area. Some open grass land areas giving options for livestock pursuits to scratch that "agriculture itch" or horses will be right at home here. Small machinery shed and workshop for the "toys" the residents elevation allows you to sit back on the expansive verandah and enjoy the Western Outlook and Vista. This outstanding offering boasts mains power, ample water storage and just waiting for you to put your personal touch on this magic piece of Australia. Address on request and internal photos to come.
