Located 50km West of Tenterfield is this lifestyle block of undulating soft traprock country, heavily timbered with some good cleared grazing areas. The block is 233 acres with good gravel road access, tracks dozed for access throughout, some cleared fence lines with some exclusion fencing on the Northern and part of the Eastern boundary and most fencing in good condition. Orchard Creek runs through the block and there is also a dam. This is a sound grazing block with extensive views of the Mole Valley and has numerous elevated building sites with plenty of privacy and bush appeal. The property would run approximately 20 breeders and suitable for goats!
