Cape Barren Island is the second largest Island (478.4 sq km) in the Furneaux Group and lies just south of the main Island of Flinders. Access to the island is usually via plane (on a regular basis) but it can also be accessed by boat (Bass Strait Freight, monthly service) or by private runabout. This vacant block of land consisting of approx. 1.189ha (almost 3 acres) is largely a bush block with some tussock grass and the remainder being areas of she-oak and tea-tree. This block is only 700m (approx.) from the local shop and post office and 4km (approx.) to the beautiful beach at Thunder & Lightning Bay. Power and water are available. So if you're looking to leave the rat race behind and go off grid this block could be for you. Could this be your own place to escape? Please Note: Photos depicting the ocean and beach are not taken from the property itself but from the Thunder & Lightning Bay area.
