REGISTERED LAND READY TO BUILD NOW Windsor Park Burnside land is ready for the taking with larger than average block sizes situated amongst pristine Sunshine Coast Hinterland. Providing you with peace, quiet and a sense of tranquillity, Windsor Park offers space for your family to grow, and to create a home you can share with those important to you. There's even room for the boat, pool, caravan, and its location is removed from the hustle and bustle but still within easy reach to enjoy when you want. With generous block sizes ranging from 450m² to 6,205m² that are only a 20-minute drive to some of the most beautiful beaches and seaside attractions southeast Queensland has to offer, Windsor Park Burnside presents a unique location and level of prestige that is rarely available for Land on the Sunshine Coast. Historically, it's the Sunshine Coast's thriving tourism industry that has ensured its strong economic position. Today however, while tourism still reigns, it's the innovation boom and infrastructure advancements such as hospitals, a university, a city and the expansion of the airport that sees the Sunshine Coast as a flourishing Mecca ready to advance and support a population influx that surpasses any current historical data, while still maintaining its coastal charm.
