Impeccably designed with high end finishes throughout, this spacious townhouse leaves nothing to be desired and everything to be admired! Offering street frontage and a striking modern façade, this home is only attached by a garage and is otherwise completely freestanding! Providing four bedrooms and three bathrooms with the option of master on the ground floor or first floor. Light filled open plan design incorporates a quality kitchen, walk in pantry and a designated dining and a living space that steps straight out to the low maintenance backyard. Situated in a wonderful Newport location, enjoy the many amenities all within walking distance.
