An opportunity has just landed to purchase all these well-priced lots and offer as house and land packages or purchase them singularly. Situated in an elevated position close to the centre of the Glenorchy CBD, these level allotments are ready to build on. All services have been provided direct from the front of each entrance. There are no easements preventing the construction of your new home. In an area where land releases are rare, this is a great opportunity to capitalise on an attractively priced

subdivision. _____ Disclaimer: This information has been carefully compiled and is not intended to be treated as a warranty or promise as to the correctness of the information.
