Residential land with views as exceptional as this have become a rarity in the Derwent Valley. Overlooking the Derwent River, this large 4,335m² block could be a fantastic position to build. Situated within the town boundary, this is the only undeveloped subdivision with true river views you will find. Zoned Low Density Residential with the Derwent Valley Council. This is a position that has its challenges, but to build a home with this stunning view, you will not find a better opportunity. The block is covered in sparse, low growing native bush and is completely undeveloped. Please contact Hayden from Derwent Real Estate for further information.
