Are you looking for that affordable piece of land to build your first dream home on or your investment property? If so, this could be just for you. Cope Street is in the north end of Portland and is easily accessible off the main highway into Portland's Central Business District. Situated on an unpaved road and approximately 696.4m², along with a north facing aspect and only a short stroll to the ocean cliff-tops, this block is the perfect canvas. With water available but not connected, this would make the ideal place to start your build (Subject to Council Approval). Contact Assets Real Estate today to find out more.
