The Curlewis is designed for compact living and versatility in a 3-bedroom home. The master bedroom is privately positioned at the front of the home with a well-appointed ensuite and walk in robe. Two additional bedrooms are towards the rear with a central main bathroom. The open plan living area flows seamlessly from the kitchen, dining, and family space out onto a covered Alfresco area. From the dining area, doors open to a small private courtyard - the perfect space to take in the morning sunshine or retreat to at the end of the day. Allow yourself to imagine the lifestyle you've always wanted; in the home you deserve! The Curlewis offers individually crafted facades that will inspire you by providing a choice of homes that reflect your personal lifestyle and preferences. For optimal site use, this design is best positioned on sites with the north aspect towards the side of the home, providing sustainable and comfortable living conditions throughout the year.
