55 Acres of vacant land right in the heart of town. This is arguably the best grazing paddock in the local area, featuring well grassed creek flats perfect for fattening cattle. Water for stock is not an issue as the property has approximately 1KM of frontage to Terrors Creek. The size and location of the land makes this a very unique property, and although the property is affected by flooding, it may prove to be a very valuable asset in the future. Call me now to inspect.
