

Lot 1 Palana Road, Whitemark, Tas 7255

Residential Land For Sale

Thursday, 7 March 2024

Lot 1 Palana Road, Whitemark, Tas 7255

Area: 3 m2

Type: Residential Land

Sharon Blyth

\$330,000 including GST

This large block of 3.073 hectares (7.59 acres approx.) is zoned low density residential under the Flinders planning scheme and may have future subdivision potential, or a savvy investor may wish to explore a unit development on the property or simply build your own home. All developments are (STCA). The land is situated only metres from Bluff Road which has become a thriving little outer suburb of Whitemark and is only walking distance to both the airport and the beach and just minutes to the township of Whitemark and the local school (Kinder - Year 12). Both town water and power run past the property and are available for connection. This property is sheltered from prevailing wind and has beautiful views of both the Darling Range and Mount Strzelecki. The block is mostly cleared, fenced on three sides and flat. Don't miss this great investment opportunity!
