Lot 1 is located at the start of Weldborough, with direct access from Tasman Highway. Measuring 1957m², this lovely block could be just perfect for your holiday house or as an investment. The block is quite private and yet close to the river and the pub. Use it for camping, build a shack, or a permanent residence, STCA. Power is available to the block or you could go off grid. Located close to the Blue Tier descent and a short ride to the Atlas trail. Weldborough is 28km south of Derby, 117km east of Launceston, 44km northwest of St Helens. Rich in history, it was once a thriving mining town with approximately 1000 residents. Surrounded by fantastic Myrtle Forests, and beautiful walking tracks and is home to the Blue Tier Mountain Bike Trail and the infamous Weldborough Hotel.
