This two-level home with 4 bedrooms presents a versatile living arrangement. Notable features include a ground floor study ideal independent children or office space. There are two distinct living spaces, including a roomy kitchen, dining, and family area that seamlessly connects to a covered alfresco terrace. The heart of the home lies on the ground level, where the kitchen, dining, and family room seamlessly flow into a generously sized covered alfresco terrace. This space is perfect for enjoying outdoor meals and entertaining. The master bedroom offers walk-in robes and private ensuite. All bedrooms are generously sized, equipped with built-in robes, and have access to a spacious and functional family bathroom. There is an additional rumpus room where the family can retreat to and enjoy downtime.

Special Features

- Ducted reverse cycle air conditioning
- Stone kitchen benchtops
- Glass splashback
- Window Furnishings throughout
- Alarm system with 'Touchnav' LED code pad and 2 remotes (also, connected to garage door auto opener)
- Auto garage door (one door only)
- Half height tiling to bathroom & ensuite and powder rooms that include showers
- Free-standing bath tub
