Stunning 4,135m² block of land in Brooklana and close by the Bobo River. Elevated north facing to enjoy maximum sunlight, established access driveway, quality fencing and power available. Tall gums shade parts of this beautiful parcel of land, with options to selectively remove some trees for home site preferences. The views over the valleys to the mountains cannot be overstated. The local Primary School, shop, cafe and Ex Services Club are an easy 10 minutes drive away via tar sealed roads. Coffs Harbour beaches, shopping centres, and airport are a 40 minute drive down a rainforest lined sealed road. The high school bus stops out front of this land. This is truly a unique rural building block established from a 100 year old undeveloped rural village and cannot be replicated elsewhere. YOUR DREAM RURAL LIFESTYLE AWAITS YOU HERE!
